Other General Guidelines

- 1) The judge's main concern is accuracy. If you need to play a little slower than the prescribed tempo, you may do so.
- 2) If you are entering 9th grade, you may choose either requirement. Student entering grades 7 and 8 may play the harder requirement if they feel comfortable. 10th-12th graders must play the 9th-12th requirement.
- 3) Please don't fret if you can't play this piece perfectly! Just come in and play your best!
