A LETTER TO ALL PERCUSSIONISTS

Dear Percussionists –

Greetings, we hope everyone is having a great summer. We are very excited about this year’s Percussion Studio and are looking forward to a great year. Competition for this year’s Studio will be quite stiff, so we encourage you to prepare accordingly.

Auditions will be a bit different this year. **We are going to hold auditions for ALL ensembles at the same time.** Auditions for Drumline, Percussion Ensembles (Percussion Orchestra, Percussion Ensemble, Steel Bands), Concert Bands, Orchestra, and Jazz Ensembles will happen on Thursday August 11th. All percussionists majoring or minoring in music must audition for the Drumline, Concert Ensembles, and Jazz Ensembles on August 11th. Those non-music majors wishing to participate in Drumline only, may elect to perform the Drumline audition material only. Exceptions to this include non-percussionists auditioning for the cymbal line,….these students do not have to prepare the snare drum, keyboard percussion, or drumset material.

Dorm check-in for Drumline is on Wednesday, August 10th from 9:00am-1:00pm in the Dee J. Kelly Alumni and Visitors Center. The actual percussion auditions/camp will begin on Thursday, August 11th with auditions beginning at 9:00 a.m. in the Band Hall located in the Walsh Center, Room 104.

If you would like to participate in the Percussion Studio, you **must** arrive on August 11th ready to audition.

All Drumline members are expected to attend all band camp rehearsals – please plan accordingly now to be available from August 11th – 21st (all day, every day – including evenings). A specific schedule will be given to you when you arrive. Extra Drumline rehearsals will be held during the week (exact day TBA) and Saturdays before games – i.e. don’t schedule anything on a game day. Additional section rehearsals will be scheduled once the sections are set.

All percussionists must supply their own sticks and/or mallets for the year…be sure to show up with something to play with. Those students assigned to the Drumline bass drum section will get one free pair of mallets for the season, then you must supply your own.

We are looking forward to working with each and every one of you. Please contact us if you have any questions - 817-257-5759, or b.west@tcu.edu
